HIP "Petrohemija" A.D. under restructuring

**SUBJECT: Information**

On January 1, 2009, within city administration of Pancevo city there was formed the Department for establishing, control and collection of direct local revenues. With the Law on Environmental Protection ("Official Gazette RS " no. 135/04, 36/09 and 72/09) there has been regulated charge for protection and improvement of environment, and more detailed criteria for establishing and collection are prescribed by the Decree on criteria for establishing charge for protection and improvement of environment and the highest charge amount ("Official Gazette RS " no. 111/09). On the session held on April 29, 2010 the Assembly of Pancevo city has made a Decision on special charge for protection and improvement of environment number II-04-06-22/2010 which has been published in „Official Gazette of Pancevo city“ no.6 and correction in number 8.

By Article 6. from the Law on Financing of local government, this Department is competent for establishing, collection and control of charge for protection and improvement of environment, therefore it is necessary that on the occasion of payment of special charge for protection and improvement of environment on the postal money order, i.e. order for transfer those who have charge obligation obligatory fulfill REFERENCE TO NUMBER in the following way:

MODEL - for all model is 97  
CONTROL NUMBER - it is different, and it is calculated according to the model 97  
MUNICIPALITY CODE - revenue per belonging, for all the same - 226  
TIN - TIN of employer /entrepreneur

EXAMPLE / 97 C.NUMBER 226 TIN /

For calculation of control number they can contact telephone 013/308-853 and main telephone exchange 013/351-023

Taking into consideration that for charge payment bookkeeping will be performed on the accounts of those having charge obligation, please point out to all the clients the correct filling-in of order for payment-money order.
